School of Fish Blanket

The rippled waves are the perfect background for these colorful fish. Use this crocheted blanket as a fun way for a toddler to start learning colors and how to count the fish.

Blanket measures 36" x 36" (91.5 x 91.5 cm).

Special Stitch

dc2tog = [Yarn over, insert hook in next stitch, yarn over and pull up loop, yarn over, draw through 2 loops] 2 times, yarn over, draw through all 3 loops on hook.
picot = (sc, ch 2, sc) in indicated stitch.

Special Technique

Adjustable-ring method—Wrap yarn into a ring, ensuring that the tail falls behind the working yarn. Grip ring and tail firmly between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in the ring. After the first round of stitches is worked, pull gently, but firmly, on tail to tighten ring.

Notes

1. Blanket is made in a ripple pattern which consists of a series of two 2-dc "peaks" and 2 dc2tog "valleys", with 5 dc worked between peaks and valleys. You may need to work several rows before the ripple is clearly visible.
2. Blanket is worked back and forth in rows. Border is worked in joined rounds with right side facing.
3. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color. Cut old color.
